

RELATÓRIO ANUAL DE ACTIVIDADES 2025*

— LINHAS ORIENTADORAS —

* Relatório anual de actividades: a estrutura e linhas orientadoras para o relatório anual de 2026 encontram-se pendentes de actualização das orientações pela FCT. Para o registo da produção científica de 2026 no PURE consultar a informação actualizada nos Pontos 4 e 6.

1. ESTRUTURA E INDICADORES (UTILIZADORES PURE E EXCEL)	1
2. INDICAÇÕES GERAIS (UTILIZADORES PURE E EXCEL)	2
3. FORMULÁRIOS ESPECÍFICOS DISPONÍVEIS NO <i>SITE</i> DO CESEM (UTILIZADORES PURE E EXCEL)	2
4. REFERÊNCIAS DE FINANCIAMENTO (UTILIZADORES PURE E EXCEL)	2
5. GUIAS DE APOIO AO PURE (APENAS PARA UTILIZADORES PURE)	3
6. EXPORTAÇÃO DA PRODUÇÃO CIENTÍFICA EM PDF (APENAS PARA UTILIZADORES PURE)	4
7. ENTRADAS MENOS ÓBVIAS PARA CATEGORIZAR (UTILIZADORES PURE E EXCEL)	5

1. Estrutura e indicadores (utilizadores PURE e Excel)

Research Outputs (O)

O1. Contribution to journal

(Article; Letter; Comment/debate; Book/Film/Article review; Literature review; Editorial; Special Issue; Meeting Abstract; Review article; Short survey; Conference article)

O2. Chapter in Book/Report/Conference proceeding

(Chapter; Entry for encyclopedia/dictionary; Conference contribution; Foreword/postscript; Other chapter contribution)

O3. Book/Report

(Book; Anthology; Scholarly edition; Commissioned report; Other report)

O4. Contribution to conference

(Paper; Poster; Abstract; Other)

O5. Non-textual form

(Software; Data set/Database; Digital or Visual Products; Web publication/Site; Artefact; Exhibition; Performance; Composition; Design)

O6. Thesis

(Doctoral Thesis completed; Master's Thesis completed)

O7. Patent

O8. Other Contribution

(Programme notes; Booklet; Other)

Activities (A)

A1. Publication peer-review and editorial work

(Editorial activity; Publication peer-review)

A2. Participating in or organising an event

(Participation in conference; Participation in workshop, seminar, course)

A3. Talk or presentation

(Invited talk; Oral presentation)

A4. Consultancy

A5. Membership

(Membership of board; Membership of committee; Membership of council; Membership of network/project)

A6. Visiting an external institution

A7. Hosting a visitor

A8. Examination

A9. Other

(Types of Business and Community; Types of Public engagement and outreach; Types of External academic engagement; Types of Award; Other)

Press / Media (PM)

PM. Participante em programa de rádio / televisão / entrevistas

Nota:

As indicações O1...O8 e A1....A9 têm correspondência com a numeração das folhas no documento Excel.

2. Indicações gerais (utilizadores PURE e Excel)

- Registo dos autores: seguir a ordem indicada na publicação.
- Publicações no prelo: indicar o estado da publicação (Excel), manter entrada em “entry in progress” (PURE).
- Definir nome de autor/citação: manter sempre a mesma opção em diferentes publicações e actividades.
- Título de conferências/evento: seguir a indicação oficial no website ou programa.
- *Abstract*: quando não existe livro de resumos é sempre registado como “Activity (Invited talk, Oral presentation)”.
- Códigos financiamento: incluir financiamento CESEM e financiamento bolsas/projectos (ver ponto 4);
- *Links* — tipos de endereços recomendados: *website* oficial da conferência, PDF Programa *online*, notícia site UI, notícia no *site* da instituição organizadora, repositório institucional.
- DOI: inserir sempre que estiver disponível.
- Teses e dissertações: registo no Excel e PURE apenas pelos autores (orientandos).

3. Formulários específicos disponíveis no *site* do CESEM (utilizadores PURE e Excel)

- Candidaturas a projectos e bolsas [LINK AQUI](#)
- Orientações [Doutoramento, Pós-doutoramento, Mestrado, Bolsas de Investigação, Bolsas de Iniciação à Investigação, Trabalho de Investigadores visitantes, Outras] [LINK AQUI](#)

4. Referências de Financiamento (utilizadores PURE e Excel)

Todas as entradas em “Research Outputs” devem incluir as referências de financiamento:

- (a) No **PURE**, inserir as referências dos respectivos códigos de financiamento no campo “Bibliographical notes” e incluir o texto de referência de acordo com as normas disponíveis online [LINK AQUI](#) no campo “Funding Text”.
- (b) No **Excel** devem incluir as referências na coluna “Funding reference”

6. Exportação da produção científica em PDF (apenas para utilizadores PURE)

Após o registo da produção científica, gravar cada entrada na opção “For Validation” e seguir os passos para exportação de dados em PDF com filtro **para 2026**.

The screenshot shows the PURE dashboard interface. At the top, there is a search bar labeled "Search for research output...". Below it, a filter menu is open, showing various categories like "Journal associated", "Managing organisational unit", "Open Access policy", etc. The "Period" category is selected, and a sub-menu is shown with options: "All", "Current year (2024)", "Last year (2023)", and "Interval". An orange arrow points to the "Current year (2024)" option. Below the filter menu, there are three columns of filters: "Publication year", "Content created date", and "Content modified date". The "Publication year" column has radio buttons for "All", "Current year (2024)", "Last year (2023)", and "Interval". An orange arrow points to the "Current year (2024)" option. The "Content created date" column has radio buttons for "All", "Past", and "Custom date range", with a "Week" dropdown menu. The "Content modified date" column has radio buttons for "All", "Past", and "Custom date range", with a "Week" dropdown menu. Below the filters, there is a list of research outputs. The first output is "a Musical: Da Antiguidade Oriental às Fontes Árabes Medievais" by D'Aquém, D'Além e D'Ultramar: Homenagem a António Dias Farinha. Domingues, F. C., Hora, J. D. S. & Vicente, P. D. (eds.). Lisboa: Faculdade de Letras da Universidade de Lisboa, p. 517-547. Below the list, there is a "Download list:" button with a dropdown menu showing options: PDF, HTML, RIS (RefMan), Word, BibTeX, and CERIF XML. An orange arrow points to the "PDF" option.

The screenshot shows the "Download as PDF" dialog box. It has a title bar "Download as PDF" and a close button. Below the title bar, there is a "Select render style:" label and a dropdown menu. The dropdown menu is open, showing options: APA, Author, CBE/CSE, Harvard, MLA, Standard, Vancouver, Short, and Long. An orange arrow points to the "APA" option. Below the dropdown menu, there is a list of research outputs. The first output is "a Musical: Da Antiguidade Oriental às Fontes Árabes Medievais" by D'Aquém, D'Além e D'Ultramar: Homenagem a António Dias Farinha. Domingues, F. C., Hora, J. D. S. & Vicente, P. D. (eds.). Lisboa: Faculdade de Letras da Universidade de Lisboa, p. 517-547. Below the list, there is a "Download list:" button with a dropdown menu showing options: PDF, Excel, HTML, RIS (RefMan), Word, BibTeX, and CERIF XML.

7. Entradas menos óbvias para categorizar (utilizadores PURE e Excel)

Em negrito encontra-se o tipo de entrada que se quer introduzir no PURE ou no Excel.

- (a) Para os utilizadores PURE é indicado o percurso para introduzir a entrada depois de ter seleccionado “Add content”.
- (b) Para quem preenche o Excel é indicada a folha na qual deverá introduzir a entrada [O1...O8 ou A1....A9 ou PM].

Research Outputs (O)

O2. Chapter in Book/Report/Conference proceeding

(Chapter; Entry for encyclopedia/dictionary; Conference contribution; Foreword/postscript; Other chapter contribution)

O2. Encyclopaedia entry author, Dictionary entry, Exhibition catalogue entry (*Small contribution to a reference book (dictionary, encyclopedia or atlas) or edited exhibition catalog intended primarily for consultation rather than for consecutive reading.* (National or international, With or without peer-review, Available in paper-based or electronic form): Research output, Chapter in Book/Report/Conference proceeding, Entry for encyclopedia/dictionary, in the field “Contributors” select “Author”.

O2. Organising an exhibition: same route for an Exhibition Catalogue Entry but in the “Contributors” field select “Editor/coordinator”.

O5. Non-textual form

(Software; Data set/Database; Digital or Visual Products; Web publication/Site; Artefact; Exhibition; Performance; Composition; Design)
