Cairo Concepts: Mahraganat Music X Club Scenarios

Curated by Swiss Mahraganat DJ Phil Battiekh, Cairo Concepts captures the newest trajectory of Egypt's most relevant subculture, creating a unique collection on the cutting-edge of contemporary sounds. Mahraganat is the rhythm driven, bass and autotune-heavy sound from Cairo sweeping dance floors worldwide. The genre has drawn experimental club producers such as DJ Haram and DJ Plead to team up with Mahraganat's most influential figures on Phil Battiekh's Cairo Concepts. The tour series showcases Mahraganat's heaviest artists alongside the club producers they have inspired.
