**WEDNESDAY 23 JANUARY**

**12:00 – 12:20**

**THEATERSAAL 3**

Bruno Bieri's programme „exactly!“. Bruno Bieri sings songs without words, using overtones and undertones to cover a range of five octaves. He lets you listen to two voices at the same time. Exactly! He is a storyteller possessed of humour and sensitivity, accompanying himself on the handpan. Bruno Bieri plays this instrument beautifully, while adding numerous colours through his unique voice. These are soundscapes from him to YOU, yodel-io-lo-li-du...
