In the below request, the phrase ‘research project' related to, but not limited to:

Any academic research collaborations that involve any staff members or any member of the active student body with companies or institutions who have stakes in the defence industry and arms trade companies.

Could you please provide me with all research projects with any connection to arms trade companies in the last five years. Connections can include sources of funding and/or collaborative research partnership on the research project.

Please can these be broken down by financial year, and categorise them accordingly:
- **Title and aim of research project**
- **Players (list of companies involved in the research project)**
- **Name of university department(s) involved (if applicable)**
- **Source of funding for the research project (to be included the source of funding does not have to be an arms trade company)**
- **The total amount, in pounds sterling, that the university has received in research funding for this project in the last five financial years. Details should be broken down for this project year-by-year.**
- **Timescale of research project - start and end (exact day/month if applicable/available, otherwise by financial years)**
