Freedom of Information Request to Teesside University

Our reference:	FOI 20197
Request received:	16 October 2020
Response sent:	5 November 2020

Dear requestor

Further to its recent acknowledgement, the University is now in a position to provide you with a response to your request for information dated 16 October 2020.

We have dealt with your request in accordance with your "right to know" under section 1(1) of the Freedom of Information Act 2000 (subsequently referred to as FOIA2000) which entitles you to be provided with information "held" by a public authority, unless an appropriate exemption applies.

We can confirm that Teesside University holds some information relevant to your request and have responded to each of your questions.

Request
Has the university received funding from any of the following companies since 2013: BAE Systems, Babcock International, Qinetiq, Rolls-Royce; Serco; Cobham and Raytheon UK, Airbus, DXC Technology, General Dynamics UK, Leonardo MW UK, Lockheed Martin UK?

If so, please include the following details:

a. Total funding supplied by the company
b. The titles of the projects it is associated with
c. Descriptions of the projects it is associated with

Response
Since 2013, the University can confirm that it has received project funding as follows:

Funder:	Rolls Royce
Total Funding since 2013:	£123,779.85
Project Title:	High Temperature Encapsulant Coil Development

Teesside University

TS1 3BA UK
www.tees.ac.uk

A description of the project is not held as the project commenced prior to implementation of the University's CRM system.

The University is unable to trace any funding from any of the other companies identified since 2013.

A copy of Teesside University's Appeals and Complaints process in relation to Freedom of Information Requests is attached.

Kind regards
Information Governance Team
