The Answers :

1. 2. 3. 4.

2 Read and complete the text with the words in the box :

people – dangers – teamwork - avoid - discover

When people explore jungles, they learn more than just facts about plants and animals. They learn about survival, (1) and respect for the environment. They must prepare carefully before taking any steps as they may face (2) like wild animals and getting lost. To (3) that, they use maps and compasses. Exploring the jungle helps scientists (4) new insects and plants that can be used in medicine.

The Answers :

1. teamwork 2. dangers 3. avoid 4. people

3 Read the following text, then answer the questions :

A treasure hunt is a game in which players follow a series of clues to find hidden objects or a final "treasure." In schools, teachers often use treasure hunts to make learning fun. They may hide cards around the classroom, each with a question. When students solve the question, they get the next clue. This activity **encourages** teamwork, problem-solving, and quick thinking. Whether in a classroom or a garden, the excitement of finding the "hidden prize" makes treasure hunts enjoyable for all ages. They are more than just a game; they build important skills.

a. Choose the correct answer from a, b, c or d :

1. What is the main idea of the text?
a. Treasure hunts are only for children
b. Treasure hunts are fun and educational
