3 Read the following text and answer the questions below.

Ancient Egyptian art is famous all around the world. Today, we can see paintings, sculptures, jewelry, and other artifacts from thousands of years ago. There are many statues and paintings in ancient temples. Because Egypt is a very dry country, the paintings and statues have survived for a long time. Archaeologists have also found lots of important artifacts in tombs for the Pharaohs. Ancient Egyptians made enormous sculptures, such as the statue of Ramses II at Abu Simbel Temple.
