The **(2)**, pace, and emotion of the poet's voice are all important in making the poem come **(3)** This style of poetry allows performers to connect with their **(4)** as the spoken words can express feelings and ideas in a very **(5)** way.

3-Read the following text, then answer the questions:

Fast fashion means making clothes very quickly and selling them at low prices. Many people like fast fashion because it is cheap and follows new trends. However, it causes many serious problems. Making these clothes uses a lot of water and chemicals which pollute rivers and the air. In

addition, people often buy many clothes and wear them only a few times before throwing them away. This creates large amounts of waste that usually end up in landfill sites or are burned. Another problem is that workers in some clothing factories are paid very little and work in unsafe conditions. To reduce these problems, people should buy fewer clothes, choose better-quality items, and recycle or reuse old clothes.

a- **Choose the correct answer:**
