

# THE SOUNDGAS LIST

## September 2019

By popular demand we're revamping the list again: now it features prices of gear that's listed for sale as well as links to the listings on our site. We'll aim to put more info in over the coming months - please let us know how you like it.

We don't have prices for all the incoming items: in many cases it's impossible to determine price before assessment, servicing and testing has taken place. Preorders are possible on some of our regular pieces (eg Binson Echorecs, Space Echoes, Junos etc).

As-is: we need to clear our service backlog so are open to offers on unserviced items.

We hope that you like the new list and welcome feedback: this is very much a work in progress.

"Your list is one of the best, it really is. I just want everything on it." - Pete Townshend

"I'm on the list, thanks. It's like crack ..." - Michael Price

**All items are serviced and in full working order (and covered by our guarantee) unless stated otherwise.**

*New arrivals highlighted in yellow*

Prices (where quoted) are in £GBP and exclude delivery. Debit/Credit Card and Paypal payments may incur a surcharge on high value items.

\*VAT (Sales Tax): Customers in USA/Canada/Australia the pay the tax-free price shown in the first column where applicable. All prices in the first column show standard VAT-exclusive prices; if there's no price in the second column, then there's no reclaimable VAT on the item.
