Musical Theatre

STEM

AI

Scan QR code to register at 'We are Townley'

To see more information on what these courses will include, the pricings of each 12-week course and what year groups are allowed to take part in the course you will need to be registered on our 'We are Townley' platform. If you haven't already done so, please ensure you have registered via <https://wearetownley.com/register>. When registering, please make sure you select one option from the "I am joining as a" drop down menu where it will ask you to specify if you are a student, guardian or alumni. If you are joining as a parent of a child or children at Townley, please only select "current parent". Once logged in, all information is under the AMBIT tab on the website.

To secure a place on one of the courses for your child **please complete [this form](#) by 8th July midnight**. You will need to have an account for 'We are Townley' to submit the form. When filling in the form you will be asked to choose your top 3 options, as unfortunately we cannot guarantee all students will be allocated their first choice. If your child does not receive their first choice this time, they will be given priority for the course when the courses restart in January 2025.

Once the deadline has passed, we will allocate a course to all students and on **Wednesday 10th July, you will receive a letter of confirmation** of your child's place on a course along with a link requesting payment. The **payment deadline will be 12th August 2024**. If your child is pupil premium, please contact ambit@townleygrammar.org.uk for more information.
