Townley Grammar School Summer School Programme

From here it's possible

2024-2025

What is Summer School?

Our Summer School programme is an opportunity for our current Year 7, 8, and 9 students to meet, interact, and learn with each other for a fun, educational week during the summer. Our programme combines core subjects, such as Maths, History, Science, etc., with fun workshops to encourage team building, oracy, and leadership skills amongst our students. This is not only an exciting opportunity to learn, but to also make new friends and have new experiences, such as a Birds of Prey workshop, or Escape Room experience.

Key Information

Dates: Monday 4th August - Friday 8th August

Times: 9:15am - 3:15pm

Price: £200 per student

Location: Townley Grammar School

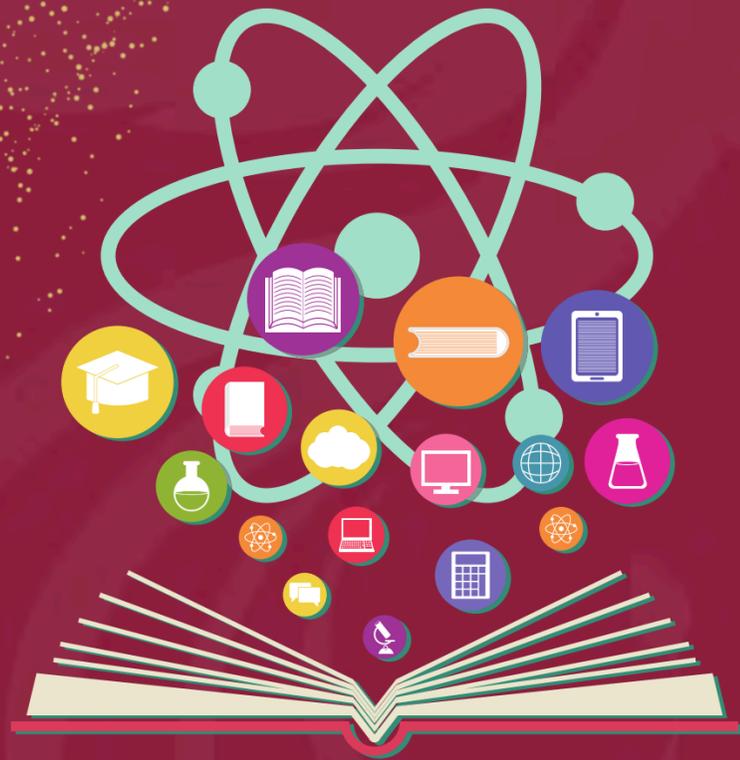

Year Groups: Year 7 - 9

What is included?

We want to make sure that this is an enriching and diverse experience for our students, and so have made lots of fun, educational activities for them to enjoy. This experience will therefore include:

- Five sessions per day, taught by Qualified Townley teachers.
- Exciting and varied workshops each day (please see page 6).
- Core subjects taught, including (but not limited to), History, Maths, English, Philosophy, etc.
- A chance to meet and interact with other year groups to build friendships.
- A Graduation Ceremony at the end of the week.

SUMMER SCHOOL

SUMMER SCHOOL

Schedule

BIRDS OF PREY

This is a workshop where you can see amazing birds such as Falcons, Owls, Hawks, and lots more, as well as learn about our natural world.

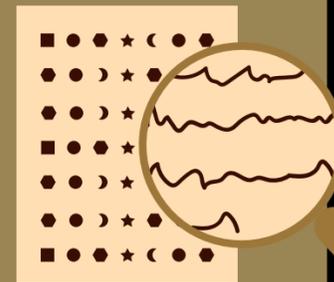

MOVEMENT THEATRE

This is a series of ice breaker games that helped students get to know their peers, whilst also building confidence, oracy, team work and presentation skills.

ESCAPE ROOMS

A great tool for team building and critically analysing different environments. The goal is to work in teams to escape a themed environment before the time runs out!

PROJECT PLANNING

As an exciting way to conclude the week, students will have the chance to create a project of their choosing. This could be artwork, a play, poetry, etc. which shows off their collective talents and teamwork.

SUBLIME SCIENCE

This is an exciting workshop for students to try out cool experiments with weird and wacky items. This is an impressive workshop, and was even awarded a Queen's Award for Innovation by the late Queen Elizabeth II.

BUTTERFLY GARDEN

This is a unique opportunity to see and learn about a range of different species of Butterfly in an immersive environment!

Frequently Asked Questions

What is the duration of the Summer School programme?

The programme is for Monday 4th August 2025 to Friday 8th August 2025. Each day will begin at 9.15am and end at 3.15pm.

What is the maximum number of students Townley can accommodate?

We can host up to 125 students on a first come, first served basis.

What does the programme include?

The programme includes a mixture of core subjects as well as fun workshops to promote relationship building and shared learning. It is also a fun, relaxed way to meet fellow students and to try new things!

What is the cost of Summer School?

The price of our programme is £200 per person. The payment for Summer School is non-refundable. We offer discounts for Pupil Premium students.

Who can I contact if I have questions/concerns?

For any questions or concerns, please contact admissions@townleygrammar.org.uk.
