

PROPERTY MARKING EVENT

What is tool marking?

Tool marking with SelectaDNA involves applying a unique, invisible paint with a code to your tools. This makes them traceable if stolen, increasing the chances of recovery and deterring thieves.

WHEN AND WHERE!

- 1st April - Crayford, Acon industrial DA14 4AL from 7.30 am
- 8th April - Tool Station, Unit 3 Ramac Way, SE7 7AX from 7.30am
- 15th April - Selco Builders Warehouse, Bromley Road, SE6 2BJ from 7.30am

What to Expect at Our Events:

- FREE £60 tool marking kit – mark your tools with Selecta DNA's forensic technology for added security.
- Meet professionals from SelectaDNA, and receive advice from van security experts.
- Our officers will be on hand throughout the event for tips on tool security and general crime prevention.

This event is supported by 'On the Tools' and 'Fix Radio'.
