

July 2025

Dear Parents/Carers,

### UK Residential and Overseas Educational & Extra-Curricular Visits: A Snapshot for 2025-2026 Academic Year

We are delighted to share an exciting overview of the educational and extra-curricular visits planned for the 2025-2026 academic year. These trips are designed to enrich our students' learning experiences, provide valuable real-world context to their studies, and offer opportunities for personal growth and development.

Please note that this is a snapshot of what is on offer, and further details, including specific dates, costs, and consent forms, will be communicated directly to parents whose children are eligible for these trips. Students who study the listed subjects, or take part in the extra-curricular activity linked to the trip, will have the educational visits available to them.

We believe these visits will significantly enhance our students' academic and personal development. We look forward to providing more specific information about these opportunities in due course.

If you have any initial questions, please do not hesitate to contact the relevant Trip Leader as listed in the full school visits programme.

Kind regards,

**The Partnerships Team**
