Device Policy

We operate a policy of 'on site, out of sight' when it comes to mobile phones and headphones at Townley Grammar School. Students are permitted to bring mobile phones and Headphones onto site but should have them switched off and out of sight at all times during the school day, unless a member of staff gives them permission to use it in a lesson. We recognise the journey that students make travelling to and from school. Students do however bring these items in at their own risk.

From September 2022 there will be a phased approach to no smartphones on site. Students in year 7 will not be able to bring a smartphone to school from September 2022. This will be phased in as follows:

September 2022 – No Smartphones for Year 7

September 2023 – No Smartphones for Year 7 & 8

September 2024 – No Smartphones for Year 7, 8 & 9

September 2025 – No Smartphones for Year 7, 8, 9 & 10

September 2026 – No Smartphones for Year 7,8,9,10 & 11

If students do need to contact home during the school day, they are asked to go to reception, one of the pastoral hubs or the Student Hub. Students **MUST NOT** use mobile phones to inform parents of illness. Instead they must present themselves to student services who will liaise with parents / carers.

The purpose of this policy is to prevent unacceptable use of mobile phones by students, and thereby to protect the school's staff and students from undesirable materials, filming, intimidation or harassment. Please see the Device Agreement on page 5, this will be in all student planners.

This policy will operate in conjunction with other policies including the E-Safety Policy and Behaviour Policy. It is recognised that these documents must be reviewed and revised regularly in response to developments on technology.

Rationale

As part of our reflection on the last 18 months, reducing screen time, our continuing desire to build healthy relationships, a way of addressing wellbeing of our school community coupled with time spent with peers during social time, and alongside advice from our Safer School Officer we have made the decision that mobile phones and headphones are to be 'on site, out of sight'. Our 'on site, out of sight' policy change addresses these challenges whilst students are on the school site.

On site, Out of sight

****No mobile phones to be used on site by years 7 to 11****

****Sixth Form - student use in common room and Sixth Form study only****

****Phones to be switched off and away****

****Phones should not be seen or heard****

Any student who refuses to hand over a mobile phone or headphones when requested to do so will be referred to a member of the Senior Leadership Team and the refusal will be treated as a serious disciplinary matter.

As young adults, Sixth Form students are permitted to use mobile phones and headphones within their common room and Sixth Form study hall only. Sixth Form students must not use their phone or headphones in any other area of the school.

In accordance with the Behaviour Policy, the school reserves the right to search the content of a confiscated device where there is a reasonable suspicion that it may contain undesirable material, including those which involve misconduct, violence or bullying. Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

System of Consequences

To ensure adherence to the policy, which we strongly believe is in the interests of all students, we have a system of consequences for students where staff see them with their mobile phone or headphones out during the school day and around the school site, including Bytes and outdoor areas. The system is as follows:

1st time	• The item will be confiscated until the end of that school day. • Taken to ALM for that year group. • Logged in the book in the Assistant Learning Manager's office, ALM logs on Arbor. • Placed in the safe. • Can be collected by the student at the end of the school day.
2nd time	• The item will be confiscated. • Taken to ALM for that year group. • Logged in the book in the Assistant Learning Manager's office, ALM logs on Arbor. • Placed in the safe. • Parents will be contacted to collect item and warned that on a 3rd occasion the student not be able to bring the item in to school for the rest of the term.

I need to know the time?	Use the clock, ask someone or wear a watch.
I want to play a game on my phone at break or lunch time?	Speak to your friends instead, play a game on the field, read a book in the library. No phones allowed on site at any time of the school day, inside or outside.
