

Year 12

Colour	Description
Blue	• Is working above the expectations of the school. • Has made a positive start to the A Level course. • Appears to grasp new ideas. • Is organised and has adapted to the rigour of 6th form study well and appears to have a good understanding/grasp of the subject material to date.
Green	• Is working at the expectations of the school. • Has made an encouraging start the A Level course and is beginning to adapt to the demands of the course. • Work completed so far shows a sound understanding of the concepts involved.
Amber	• Academic work produced is slightly below the expectations of the school. • Finds certain areas of the transition from GCSE to A Level challenging which is having an impact on learning, progress and and/or engagement.
Red	• Academic work produced is well below the expectations of the school. • There are serious concerns in relation to progress in this subject. • It is recommended that the student engages with the advice and direction offered in order to facilitate progress in this subject.
