Christmas Holiday Creative Workshops – Opportunities for Young People

Dear Parents and Carers,

I am delighted to share details of three exciting Christmas holiday opportunities that I am organising through **end2end TV**, a not-for-profit organisation based at Hurstmere School in Sidcup.

I am passionate about giving young people the opportunity to explore the exciting worlds of television, film and animation, develop their creative skills, build confidence and gain hands-on experience using professional studio equipment.

This Christmas, I am offering three fantastic opportunities:

- 🎬 **Create Your Own Music Video (Ages 7–14):** Three Saturday afternoon sessions on 21 November, 5 December and 19 December (2.00pm–3.30pm). Young people will plan, perform, film and edit their very own music video, taking home their finished production as a special Christmas keepsake.
- 🎨 **Festive Animation Day (Ages 10–16):** Monday 21 December (9.15am–3.00pm). Join me to celebrate the launch of our brand-new Animation Suite, where participants will create their own Christmas animation. Special launch price: £50.
- 🎭 **Panto Fun TV & Film Workshop (Ages 7–14):** Tuesday 22 December (10.30am–3.00pm). A fun-filled day of acting, comedy, improvisation and filming, giving young people the chance to create their own mini pantomime production in our professional TV studio.

Thank you for supporting these opportunities and helping me spread the word.

With best wishes,
