

## **Philippians: Living the Christian Life**

1. Marks of the New Life in Christ. (10-14)

2. Paul's Application (15-16)

### **Discussion:**

1. On a scale of one to ten, how passionate would you say that you are today about living a powerful life in Christ?
2. What is one area for spiritual growth that you need to give special attention to this week? (For example: Bible reading, prayer, times of worship, Scripture memory, learning to share the gospel, Bible study)
3. Think of one person that you can begin to encourage in their work to pursue Christ. Commit to pray for that person.
