

**Philippians 1:9-11**  
**How to Pray for one another**

1. Pray for Love (Verse 9)

2. Pray for Reputation (Verse 10)

3. Pray for Fruit of Righteousness (Verse 11)

**Discussion:**

1. If it is true that knowledge shapes and enables Christian love, what are some ways that you can grow in knowledge of God? What are some ways that you can grow in knowledge of other Christians?
2. Think about your time commitment to your various hobbies, interests, and activities. How would you compare your time commitment to loving other believers? How can you make more room in your life for Christian love?
3. Is it tempting to try and love people simply because you know you should? How well does that work when they are unloveable and frustrating? What is the real reason for our efforts to love others?
