

Philippians: Joy in Life or Death for the Gospel

1. The Aim of Life or Death should be the exalting of Jesus (19-20)
2. The Benefits of Life (21-24)
3. The Benefits of Death (21-24)
4. Paul's Dilemma and solution (22-23, 25-26)

Discussion

1. What are some things that people believe about the moment of death?
2. What aspect of Paul's dilemma (and our own, if we have a Biblical view of death) is comforting to a believer?
3. Think about the people that God has placed in your life. Name one way that you could begin to build on their life until they treasure Christ.
