

From Alpha Beta to Alpha-Omega

WHAT DOES IT MEAN ON THE GROUND?

FIVE MAIN TAKEAWAYS TODAY

Our epistemology (what God says about Himself) and our ethics (how we obey God) should match.

When they match, when they overlay, we move from discussing Alpha Beta to Alpha Omega.

Because of human nature, we separate how we think about God and how we obey God.

God has given us ways to keep them together. Here are 6 grounded in **Alpha-Omega.**

- **Magnify our First Loyalty**
- **Magnify Christ and who we are**
- **Magnify why we're here**
- **Magnify our uniqueness**
- **Observational witness - Show Christ. Romans 1:18ff.**
- **Worship witness - Preach Christ.**
 - **Live and teach others how to 'do practical things' *in God's framework*.**

These are the ways that give us our 'other-cultural, other political' shape. *NOT a 'counterculture.'*

- **We become a culture that invites and indicts. 1 Peter 4.**
