CONSEQUENCES OF SPIRITUAL COMPROMISE (PART 3)

GENESIS 19:26-38

GENESIS: THE FOUNDATION FOR EVERYTHING

Report Summary by Not the Bee:

- 1) The number of raped and trafficked British girls is in the hundreds of thousands.
- 2) The attackers are overwhelmingly Muslim foreigners.

The report goes on to say that these gangs were religiously motivated to carry out these rapes under the theological teaching of *al-walā' wa-l-barā'*, which demands subjugation of the infidel, including sex slavery as a form of subjugation. Muslim armies have used this teaching to justify rape across the world for 1,400 years.

- 3) The problem is geographically widespread, affecting all corners of the nation.
- 4) The rape gangs started more than 50 years ago.

These horrific crimes have only escalated in recent decades, especially following Tony Blair's 1997 victory and the start of orchestrated mass immigration. With greater numbers came greater opportunities for abuse. Perpetrators built organized networks that transported victims between towns and cities and passed girls between multiple adult men.

Report Summary by Not the Bee:

5) Authorities purposefully and willfull ignored the mass abuse.

The report also claims the current prime minister, Keir Starmer, was directly responsible for more than 13,000 cases being dropped.

6) Victim testimony is overwhelming.

7) Whistleblowers were silenced and threatened with seizure of their assets and careers.

The state did not merely ignore whistleblowers; it punished them to protect the gangs and its own reputation.

The obvious question is how a society arrives at such a place.

That conviction creates obligations.

This scandal reveals far more than the evil of predatory men. It reveals **the moral failure of a culture** that increasingly lacked the confidence and courage to act upon its own professed values.

That is how civilizations die.

Sodom and Gomorrah and the other cities of this valley show a civilization dying from within. The rot of their own depravity is on full display as these people give themselves over to unbridled displays of personal perversion and demonic debauchery.

Genesis 19 is a warning to Israel about compromising God's truths to adopt the ways of the culture around them.

Like Father, Like Son (daughters)

- Falsehood
- Perverted Reasoning
- Their minds are poisoned with the world's wisdom, priorities, pursuits, and perceptions.

VI. Spiritual Compromise Corrupts Our Life's Legacy (Gen. 19:30-38)

What were they thinking?

Verse 32: *“Come, let us make our father drink wine, and let us lie with him that we may preserve our family through our father.”*

Verse 34b: *“... let us make him drink wine tonight also; then you go in and lie with him that we may preserve our family through our father.”*

Sex with their father was a means to an end.

VI. Spiritual Compromise Corrupts Our Life's Legacy (Gen. 19:30-38)

What does getting him drunk tell us?

They did not respect or love their father.

Passing on the Poison: The Moabites and the Ammonites

“His legacy, Moab and Ammon... was destined to provide the worst carnal seduction in the history of Israel... and the cruelest religious perversion.”

“Active local church membership is imperative to living a life without compromise. It is only through the ministry of the local church that a believer can receive the kind of teaching, accountability, and encouragement that is necessary for him to stand firm in his convictions. God has ordained that the church provide the kind of environment where **an uncompromising life can thrive.**” *(John MacArthur)*
