

The Wise & Foolish Builders

Luke 6:46-49 & Matthew 7:24-27

PRAYER

Observation: Parabolic Symbols

Rock = Christ as our Foundation

House = Life / Discipleship / Works

Storms / Flood = Trials and the Final Judgement

Hear and Do = Faith and Works

Observation: What is happening here?

- Found in Matthew and Luke at the End of Christ's Sermon
- Before the Parable: Warnings of False Prophets and Bearing Good Fruit
- This Parable shows the importance of Grace, **then** works!

Interpretation: What can we learn?

Our House (Life) Is Built upon the Rock (Christ)

A Firm Foundation Brings Wisdom and Security

Storms Test and Foreshadow the Final Judgement

Application: How should we live?

Check your Foundation: Is it in Christ?

From Foundations Comes Building
