

BLESSED ARE THE PEACEMAKERS

MATTHEW 5:9 AND HEBREWS 5:11-6:3

PRAYER

SCRIPTURE READING

HEBREWS 5:11-6:3

Seek the higher things

Grow in maturity

Observation: What is happening?

Jesus blesses **peacemakers**, not peacekeepers

Peacemaking is active, intentional, and relational

Those who make peace are called **children of God**

Mature believers have **discernment trained by practice**

We move beyond elementary teachings to **maturity**

Interpretation: What can we learn?

Peacemaking flows from identity, not avoidance.

Peacemaking requires spiritual obedience, growth, and maturity.

Peacemaking is the fruit of Christ at work within us.

Application: How should we live?

Make peace with Christ by Faith

Grow into spiritual maturity

Step forward as a peacemaker

A serene background image of a calm body of water at sunset. A single water droplet is captured mid-fall, creating a series of concentric ripples that spread outwards. The sky in the background is a soft gradient of orange and yellow near the horizon, fading into a deep blue. The water's surface is dark blue, reflecting the ambient light.

Be a peacemaker
