The Gospel Connection with The Parable

Gospel Theme	Parable Element
Creation	The Sower plants good seed (wheat)
Fall	The enemy sows weeds among the wheat
Redemption	Weeds and wheat grow together, giving time
Restoration	The harvest separates weeds and wheat

The background features a stylized illustration of wheat stalks and weeds. The wheat stalks are golden-brown and have a textured, grainy appearance. The weeds are green and have long, thin, blade-like leaves. The entire scene is set against a dark, almost black background, which makes the lighter colors of the wheat and weeds stand out.
