

A wide-angle photograph of a large, modern concrete bridge spanning a body of water. The bridge has multiple arches and is supported by several tall, dark pillars. The water is a deep blue, and the sky is a lighter blue with some wispy clouds. The overall mood is peaceful and expansive.

BUILDING BRIDGES TO PEACE

EPHESIANS 2:13-22

SCRIPTURE READING
EPHESIANS 2:13-22

Observation: What is happening?

Christ is our **peace**, breaking down the **dividing wall**

We are no longer **strangers**, but members of **God's household**

Christ is the **cornerstone**; we are His **dwelling place**

**CHRIST
IS OUR PEACE**

Interpretation: What can we learn?

Peace begins with Christ, not with us.

Peace forms a us; individually and collectively.

Peace shapes us as witnesses and peacemakers.

Application: How should we live?

Stand on the Bridge; Remember God's help.

Cross the bridge trusting in God.

Be a Peacemaker with Christ beside you.

**THUS FAR THE LORD
HAS HELPED US**
