

# How do we walk into church?

*What's the biggest project you've ever been involved in?*

## **The Church: Universal and Local**

Ephesians 3v10...

## **How does the church grow?**

**Ephesians 4v11-16**

***Pastors equip the saints, so the saints build the body.***

### **1. Pastors equip the saints – v11-12**

### **2. ... so the saints build the body – v12-16**

***All of us serving and speaking so all of us grow to be like Jesus together.***

***Who: Everyone – v12, v13, v16***

***- illustrated with picture from the website.***

***How: Serving and Speaking – v12, v15***

***To what end: collective Christlikeness – v13, v15, v16***

### **Questions for reflection/discussion:**

1. According to Paul what's the flow of how the church grows?
2. What impact would it have if some in the Ephesian church increased their service and speaking?
3. How might Ephesians 4v1-11 impact how we arrive at church (on zoom or in person)?
