

Hallelujah, what a Saviour! (Luke 5-9)

Dealing with doubt and discontentment (Luke 7:18-35)

Expectations // Disappointments

John the Baptist

What should we do, then, with our doubts and disappointments?

Go to Jesus (v.18-19)

God's not afraid!

The goodness of doubt

Let's not feel like....

As we bring our doubts to him, Jesus says 3 things to us:

1. Trust the evidence (v.20-23)

Jesus' answer

What's the point? (Big clue: Isaiah 35)

Join the dots

John is just like us

Whenever we see a miracle (especially THE miracle)

2. Relish your position (v.24-28)

The crowd's doubts

Doubting John?

Greater than John?

Your permanent privileges in Christ

3. Don't become hardened (v.29-35)

Two responses

Why do people not turn to Jesus?

Remember verse 35
