

## How to live in a post-truth world (2 John)

How our world shifted to “post-truth”

And yet, people have never been more anxious about truth!

If someone in Kuching were to walk into a church, would they find Truth?

What 2 John is concerned about

The elder’s 3-point plan:

### **1. Know the truth (v.1-3)**

Truth....and love?

For Christians, Truth is...

Do you know this Truth?

For this is what God gives us

This Truth has a specific shape

### **2. Walk in the truth (v.4-6)**

Notice what gives John joy

What does walking in the truth look like?

Not a new command; “have had from the beginning”

Why John keeps reminding us

Is the truth we claim to know visible in the way we walk?

- i. Showing up
- ii. Speaking truthfully to one another in love
- iii. Being something the world around you cannot explain

### **3. Protect the truth (v.7-13)**

Many deceivers

Why it matters so much

- i. Watch ourselves
- ii. Not welcome false teachers

Be pro-Truth, not post-truth = become a community of truth and love
