

Hallelujah, what a Saviour! (Luke 5-9)

## **A new world order (Luke 6:12-26)**

Your start-up team: who would you choose?

Where Jesus surprises us

### **1. Look who's on Jesus' team (6:12-19)**

 Jesus prays

Jesus picks his team...letdown?!

12      ↪ rebuilding the people of God

What do you think of Jesus' recruiting strategy?

Jesus: I play by God's rules

How it always is in God's kingdom

The logic of the gospel

### **2. What it's like to be on Jesus' team (6:20-23)**

Preliminary question: Sermon on the Mount – same same but different?

Some observations:

- i. Who Jesus is addressing
- ii. The structure of verses 20-26
- iii. Beatitudes: descriptions not prescriptions
- iv. The meaning of "blessed" (you can listen online to the sermon on Matthew 5:1-12, dated 17<sup>th</sup> May 2020, for more detail)

Putting these observations to work

If you live in light of the \_\_\_\_\_, and you're allowing this \_\_\_\_\_ reality to define your \_\_\_\_\_ experience, you are blessed!

The measuring stick

### **3. What happens if we opt out of Jesus' team (6:24-26)**

Woe: an expression of pity at a coming curse/condemnation

A different perspective

All you get

**#Rejoice!**
