

**Dare to trust the God of Daniel (Daniel 6)**

Divided royalties.

A new king. Darius/Cyrus. New policy of religious freedom.

A new government structure. Corruption in high office.

Easy to hate Daniel.

Jealousy

No neglect. No corruption.

He is not one of us.

Yahweh worshipper.

Faithful times of prayer. Praying toward Jerusalem???

The secret of Daniel's excellence and faithfulness.

The brilliant plot. A manipulated king.

The god pretender? Mediator?

Daniel prays to God for help.

The cost has already been counted. Since Daniel 1.

Simply trust.

The king in distress. This king cannot save.

The king breaks his own decree.

Is the God of Daniel able to save?

Because he trusted in his God.

Vindication for Daniel.

Honoring the God of Daniel.

The God who still rescue and saves.

The greater Daniel. The perfectly innocent and always faithful.

The greater rescues.

The rescue of the condemned human race. The king who can save.

The true mediator

The rescue of the greater Daniel. Resurrection

The invitation into the eternal kingdom.

Risking all for Him. Faithful no matter what.

Putting our full trust in the God who is mighty to save.

ALL his faithful ones can be sure of emerging from their trials, alive.
