

In you, LORD, I put my trust (Psalm 25)

Intro

Do you trust God?

* What is shame?

Not just embarrassment. Shame is misplaced trust - trusting wrongly and being deeply disappointed.

* Where are you placing your hope and trust?

How do you trust God?

Trust His Guidance (v4-5)

* God guides us as we trust and follow His ways and His Word.

Trust His Character (v6-7)

* God's steadfast love and mercy will never change.

Trust with Humility (v8-10)

* God teaches and leads the humble.

Trust in His Forgiveness (v11)

* God forgives us our sins, big or small.

Trust with Fear (v12-14)

* Not fear of punishment, but reverence and awe.

Why do you trust God?

* Trusting God does not mean the absence of pain, but the presence of God in it.

* Entrust all your sins, pain and struggles to God.

* We can be sure our trust in God is not misplaced because of Jesus' death and resurrection as he bore our sin and shame.
