

Don't miss this party! (Luke 14:15-24)

Intro

How might **God** feel when Jesus is disregarded?

Still at a party

The tension

1. God's high regard for us

Is verse 15 true?

God is going to hold a party! (Isaiah 25:6-8)

What it shows about God

2. The low regard we have for Jesus

Right here, right now is God's guest list! (?)

The background: The double invitation
They "all alike" began to make excuses

- Excuse #1
- Excuse #2
- Excuse #3

What's really happening?

What about us?

The excuses concern....

The greatest rival to the kingdom of God

3. How God feels when we disregard Jesus

God _____ it! Because Jesus is...

But that's not all God feels

Driven by Eternity

Don't miss this party!
