

The King greater than David (Luke 20:27-21:4)

Introduction

1. See the resurrection revealed (20:27-40)

The Sadducees

Their plan: the hypothetical scenario – v.28-33

Levirate marriage (Deut. 25:5-6)

The dilemma: “At the resurrection, whose wife will she be?”

...if Jesus says: married to all 7....

...if Jesus says: married to 1...

What the Sadducees are trying to do

How does Jesus answer? 2 parts

Part 1: v37-38

Shall we do a Bible study on Exodus 3:6?

- Abraham, Isaac, Jacob are long dead, so shouldn't God say...

- But God says “I am the God of Abraham....”
- Implying...

Conclusion: Resurrection _____!

Part 2: v34-36

The false assumption: resurrection life is just _____ life x _____.

But Jesus says...

The mind-blowing truth: Resurrection life isn't just an e_____ of this life, but something far more _____!

3 implications:

- Don't be a Sadducee!
- Don't underestimate how much better resurrection life is going to be.
- Don't overvalue marriage

2. See the Messiah unveiled (20:41-47)

Jesus' own Bible question

The head-scratcher: The Messiah is David's Lord (superior), so how can he be David's Son (inferior)? / If He's David's descendant, why is David the one honouring him?

Luke's Gospel gives us the key. (see for eg. 1:32, 18:38; 19:31)

The only way Psalm 110 makes sense

Crown Him King of Kings (Luke 19-24)

The question for us

3. **See the faith embodied (21:1-4)**
