## **The path of suffering and glory (Luke 9:18-36)**

Is it worth it?

Why does following Jesus take the shape it does in the first place?

### **1. The person we follow (v.18-22)**

Public opinion

Get personal

“...sooner or later, I’d have to decide who Jesus really was”

Christ/Messiah

What being Messiah is all about

### **2. The path we take (v.23)**

Denying yourself

Taking up your cross

### **3. The pick-me-ups we need (v.24-36)**

a) The economics of discipleship (v.24-26)

b) The transfiguration (v.27-36)

The glory of Jesus

The united witness

The attempt to capture glory
