# THREE BIG QUESTIONS

(Christianity Explored)

1. Who is Jesus?

2. What did He achieve?

3. What does it mean for us today?

The Gospel of Mark plays a unique and strategic role in the Christian Bible. In this account of the life, death, and resurrection of Christ, we see him fulfilling in himself the Old Testament hopes for a coming king, the Messiah, yet we also see the stark ways in which Jesus confounds public expectations of what this king will do: he will suffer. Mark's Gospel also gives us a vivid portrayal of what authentic discipleship looks like for those who follow a rejected king.

## **BUT WHAT DO WE DO WITH MARK'S ENDING?**

## **THINK, PLAN AND PRAY**

1. Who can I read Mark's Gospel with?

2. When & where can we meet to read and discuss it?
