

Hallelujah, what a Saviour! (Luke 5-9)

The radical Jesus way to treating others (Luke 6:27-38)

Is there anything that marks out the Jesus way?

v30

“What do they love?”

Limits?!?

The Jesus way:

Enemies

“Do to others as you would have them do to you”

Why is this the Jesus way?

Really about treating others in a like-for-unlike manner

Can't get away from Jesus' words

Distinctive!

What the Jesus way looks like!

*Ultimately, this is simply the gospel in action

Doing as much good as you can towards them

Be defined by your Heavenly Father

v.27-28

“if you take away love of enemy from the Christian faith, you un-Christian the Christian faith” (Miroslav Volf)
