

A Shared Peace (Philippians 4:2-9)

What would Jesus do?

Since Jesus *has* already done it, how do I live in light of that?

Paul gives 3 pointers to live in light of God's peace:

1. Pursue peace through gospel-minded unity.

Content side by side for the gospel together

Be peacemakers, not peacekeepers

Not me against you. But us for the gospel, against everything that opposes it.

Agree that the gospel is the most important

2. Experience peace in joyful trust and prayerful dependence.

Rejoice **in the Lord, *always***

Gentleness is the expression of rejoicing in the Lord

Direct our anxieties to God

3. Practice peace by thinking and living like Christ.

Practice from examples – Paul, Timothy, Epaphroditus, Jesus

Great minds think alike -> Gospel minds think Christlike

Rethink our online habits

Imitate *and* depend on Jesus
