Session 1

The Primacy of the Gospel (Galatians 1:1-11)

Introduction to Galatians

1. We all long for righteousness.

The argument is this: Paul wants to establish the doctrine of faith, grace, the forgiveness of sins or Christian righteousness, so that we may have a perfect knowledge and know the difference between Christian righteousness and all other kinds of righteousness. For righteousness is of many kinds. There is a political righteousness, ..., ceremonial righteousness, ... the righteousness of the Law or of the Decalog, which Moses teaches.

2. The righteousness we hold to informs us of our sense of danger

3. The danger of distorting the Gospel

4. The blessing of standing in the Gospel
