Picture the scene

A clarification

v.12 – the reference: Archelaus

The big point

When it comes to the kingdom of God, we need to think long-term, not instant fix

What does that mean for us?

Raises another question: ***What are we to do in the meantime?***

A command: Be on his Majesty's service

Group 1: the subjects of v.14

Group 2: The servants

What are they to do? v.13

Go and live “your Christian life as a trust, taking the truth, the power of the Spirit, spiritual opportunity, spiritual gifts, spiritual privileges, everything the Lord puts in your life and maximise it for his honour and glory” (MacArthur)

What Jesus is looking for

The big question for us

Great reward

A caution

The third servant

Excuses

The caution for us

The consequences

→ So who are you?
